DIPLOMA IN

MULTIMEDIA APPLICATION

FACULTY OF CREATIVE ARTS

The Diploma in Multimedia Application is designed to equip students with skills in developing multimedia content and a creative mindset when managing and producing multimedia-related products. Students will learn the practical, creative and communication skills necessary to plan, design and construct fully interactive multimedia applications.

Students are given the opportunity to bring theory to life through case studies and practical exercises using 2D and 3D animation, digital, audio and interface design, as well as managing and developing multimedia teams.

"Be The Next Creative Superstar"
