DIPLOMA IN

ACCOUNTING

FACULTY OF MANAGEMENT & BUSINESS TECHNOLOGY

Every organization requires people with knowledge of accounting – hence why the demand for accountants will always outstrip supply. Our Diploma in Accounting equips graduates with the necessary entry-level knowledge, skills and capabilities required to be an accounting professional

The Diploma in Accounting equips students with the knowledge, skills and abilities needed to function as entry level accounting professionals in business organizations. The students will be able to apply knowledge required to fulfil an accounting-support role and participate in financial discussions and decision-making in any organization.

"ACCOUNTING IS THE LANGUAGE OF BUSINESS"

PROGRAMME AIM

It aims to provide students with relevant knowledge and skills to ultimately become an entry-level professional in the accounting or finance industry. Graduates should develop key understanding of accounts, auditing, taxation and finance.
